

Janitorial & Facility Maintenance Services

Commercial Building Maintenance Corporation was started with a vision of providing our clients with affordable, high-quality janitorial and facility maintenance services. Today, our team of experienced managers and highly trained staff members provide many fortune 500 companies with year-round reliable service.

CBM's workforce of nearly 2,000 specially trained personnel is the mainstay of our company. Comprehensive training, background checks and stringent pre-hire screening guidelines ensures that each employee performs their duties in a professional and responsible manner. Dedicated supervisors are assigned to monitor each employee to insure that they perform efficiently.

CBM's Facility Maintenance Consultants will provide you with a detailed overview of how to more efficiently maintain your facility. CBM continuously invests in the newest leading-edge technology allowing us to deploy modern state-of-the-art equipment and supplies to more effectively service our clients. CBM will provide you with a no-obligation site inspection report and a comprehensive computer generated estimate of recommended work to be performed.

Along with our four decades of experience comes the confidence and trust that CBM management, supervisors and staff will be available 24 hours-a-day to assist you with all your janitorial and facility maintenance requirements.
